

Week 5: Obon Week Okutama Outdoor Camp (08/12/2019 to 08/16/2019)

Represented by Camp Team: The Wild Ones

Week 5 takes place during the traditional annual summer holiday period called “Obon.” During this week, all of the campers and teachers take a break from the city and move the operations of the camp to a special Cross location in the mountains about one hour to the west of Tokyo. There they spend the week involved in learning about the outdoors, and in outdoor scientific and ecological experiences. They also get to swim in the clear blue waters of the Arakawa River, and enjoy barbecues almost every night!
